1966 ORACLE

BAKERSFIELD, CALIFORNIA

The **sounds of sixty-six** were as diverse as the students who attended Bakersfield High. We have tried to represent the ORACLE as a sounding board for the year 1966 at Bakersfield High School.

Warren Hall was filled with the sounds of students in the halls. In every class was a specialized sound—whether it was a foreign language tape being played, a stimulating lecture given, the explanation of a math problem, or a critical review of a recent book, all required the use of sounds to teach the student. Ludden Hall echoed with the sounds of sewing machines and cooking preparations. The Science Building reverberated with the squeamish squeals of students dissecting a frog or worm, while in another part of the building the genius of photography was demonstrated by the click of a shutter. Many diverse sounds arose from the Gym each day. The varied activities of

boys and girls developing their athletic prowess released the shouts and yells for all to hear. The sharp blast of the whistle and the crack of the starting gun reminded us of our record-breaking sports' teams. From the Industrial Arts Building came the sounds of welding, wood cutting, and purring car engines. Forensics created another distinct sound in Harvey Auditorium, with debates, speeches and dramatic selections, competing with the sounds of the dramatic productions on the stages of the Little Theatre and the main auditorium. Added to this symphony of sound were heard the hundreds of voices in choral groups, the distinct melodies of the orchestra and great sounds of the Driller Band.

Bakersfield High School in 1966 was the focal point of many sounds. May we always cherish the memories of this year, and may the Oracle serve as our link with the past.

SCHOOL BOARD MADE

Dr. J. S. Wallace, Principal

Although your yearbook, the **Oracle**, is now an object of much enjoyment and entertainment to you, its value will be enhanced manyfold as the years pass and you leave the campus of Bakersfield High School. The pictures of your classmates may be the only visual contact you will have with some of your very best friends for many years. The group shots and descriptions of activities will help you recall worthwhile educational experiences, and the classroom pictures and photographs of your teachers will remind you of the most rewarding values that come to you as a part of your education—your learning experiences in the classroom.

The theme of this year's **Oracle** is intended to project the idea that what you see as you look through its pages may bring to you the realism of your high school experiences, so that you may even in your mind's ear hear the sounds of fellow students. Certainly the messages written by your friends and fellow classmates can bring back the sound of their voices years hence. Thus, your yearbook becomes a most valued possession and a tangible reminder of the years you spent at one of the great high schools.

Speaking for the staff of Bakersfield High School, may we wish for each of our graduates the very best of the years to come, and for those who will remain on campus, a continued satisfying educational experience.

Sincerely,

Dr. J. S. Wallace

Principal

Bakersfield High School P.T.A. extended the hand of welcome to all parents of Bakersfield High students at a buffet dinner served on Back-to-School Night soon after the first report cards came out. Parents were encouraged to visit the campus and become acquainted with the teachers and the curriculum.

Throughout the year members were busy providing eyeglasses, clothing, and lunches for needy students. Several scholarships were granted, making it possible for Bakersfield High School Seniors to continue their education in college. The last service to Seniors was a graduation party, the Whing Ding.

The **Boosters Club** were parents interested in helping students achieve a balance between studies, sports, and extra-curricular activities. The Boosters sponsored Award Banquets in the fall and spring where outstanding students received scholastic recognition for participation in various fields. This year's goal—to reinstate swimming as a part of the athletic program—proved successful.

The Bakersfield High School Boosters supported the various Driller teams.

To the Class of 1966:

We have just completed four of the most rewarding years of our lives. I know that each of you share with me a great sense of pride and gratitude for the privilege of attending Bakersfield High School.

The Class of 1966 is the largest graduating class in the history of our school. In spite of its size, a warm and cordial friendship has developed among the members of the class. Through your efforts you have made a material contribution toward the development of the Driller tradition.

Thank you for having permitted me to serve as President of our class. It has been an experience that I will always remember. I hope that we will meet often in the years to come. May your future endeavors reward you with success and happiness.

Sincerely,

Marv Bultman
Senior Class President

Sara Chan, Bruce Biggar, Melva Eastwood, and Claudia Jelmini industriously packed 475 pounds of cookies in Junior Class Cook-in for U.S. soldiers in Viet Nam.

Junior Class Council's biggest job was the Junior-Senior Prom. Card stunts for the football games came under the direction of the council and a service project of Operation Christmas Star, cookies to Viet Nam, was carried out.

VOICES BUZZED AS

Student Government for 1965-66, in following its theme **"Strength Lies in Spirit,"** developed new programs which encouraged more student participation and increased school spirit. With new ideas, like the Car Caravan for E.B. Week, and the dramatic voter registration programs, the students of Bakersfield High were enlivened to be more appreciative of the efforts of their athletic teams and to take on the responsibility of being part of Bakersfield High School.

As an organization the Student Governing Body succeeded in working effectively as a unit. Within the unit, each officer demonstrated throughout the year fine leadership capabilities and cooperated to the fullest with the administration, the Director of Student Activities, and fellow officers.

1965-66 was an outstanding year for Student Government and for the students of Bakersfield High.

EXEC. BOARD WAS

Student Government class puts forth great effort to clean up GA 14.

As the bell clanged for sixth period, student government class assembled. Voices chattered as various committees were established. The Howdy Hop, sponsored by the Executive Board, was a special attempt to introduce freshmen to high school procedures. Other projects were revising the **Driller Way**, drawing up the publicity code, and organizing campaign assemblies and rallies.

Monica Reingold spoke to the Executive Board during Foreign Exchange Student Week.

EXCHANGE STUDENTS

Monica Reingold was the exchange student from Argentina.

"When the professor came in, we had to stand and say good morning," said Monica Reingold, comparing her school in Buenos Aires, Argentina, to Bakersfield High. "Here there is the comfortable element of familiarity," she added. Eighteen-year-old Monica, an exchange student sponsored by the American Field Service, spent a year here furthering her education.

Bill Welty, Jan Furman, and John Anderson presented Argentine exchange student, Monica Reingold, at a fall rally.

Pam Dykes was selected as exchange student to represent Bakersfield High School.

Students who attended the tea in honor of exchange students were, from left to right: Pam Dykes, an exchange student visiting from Ireland, Barb Whisler, and Wayne Verrell.

Barbara Whisler won the honor of being Bakersfield High School's foreign exchange student by competing through an essay, a speech, an interview, and attending a tea. After being accepted here and in New York, she was flown to Brazil where she lived for a year with an average family.

Monica Reingold was welcomed to Bakersfield High School the same time Barb Whisler was welcomed home from Brazil at the honorary tea.

A QUEEN

Miss BHS went through several days of excitement and anticipation. First, various clubs selected and sponsored their candidates. Seven girls were chosen from a tea as the semi-finalists. After the first election, tension mounted until students made the final decision, after which the queen was announced at the EB game.

The three finalists anxiously awaited the results of the election.

Excitement reached its peak moments before the new Miss BHS was announced.

Chris Callaway, newly crowned Miss BHS, took her place of honor in front of the cheering crowd.

EDITOR'S SWAN SONG

The 1966 Oracle was published as a result of the diligent perseverance of the Oracle Staff, the Photography classes, the Administration, and the community business enterprises. Without the fine contributions these people made of time and effort, this year's Oracle would not have been the outstanding yearbook that it is.

I would like to bestow my gratitude upon Karen Callagy and Joy Wells, special Oracle Staff photographers. I would also like to express my appreciation to both photography classes for their helpfulness in developing pictures for the Oracle. In charge of it all was Mr. Al Dennis, who was responsible for the achievements of the photography class, and who was also kind enough to devote his time to taking pictures for the Oracle.

The Administration assisted in various ways through the cooperation and leadership of Mr. Sid Sheffield. The faculty should also be commended for their courtesy in letting students out of class for the purpose of taking Oracle pictures.

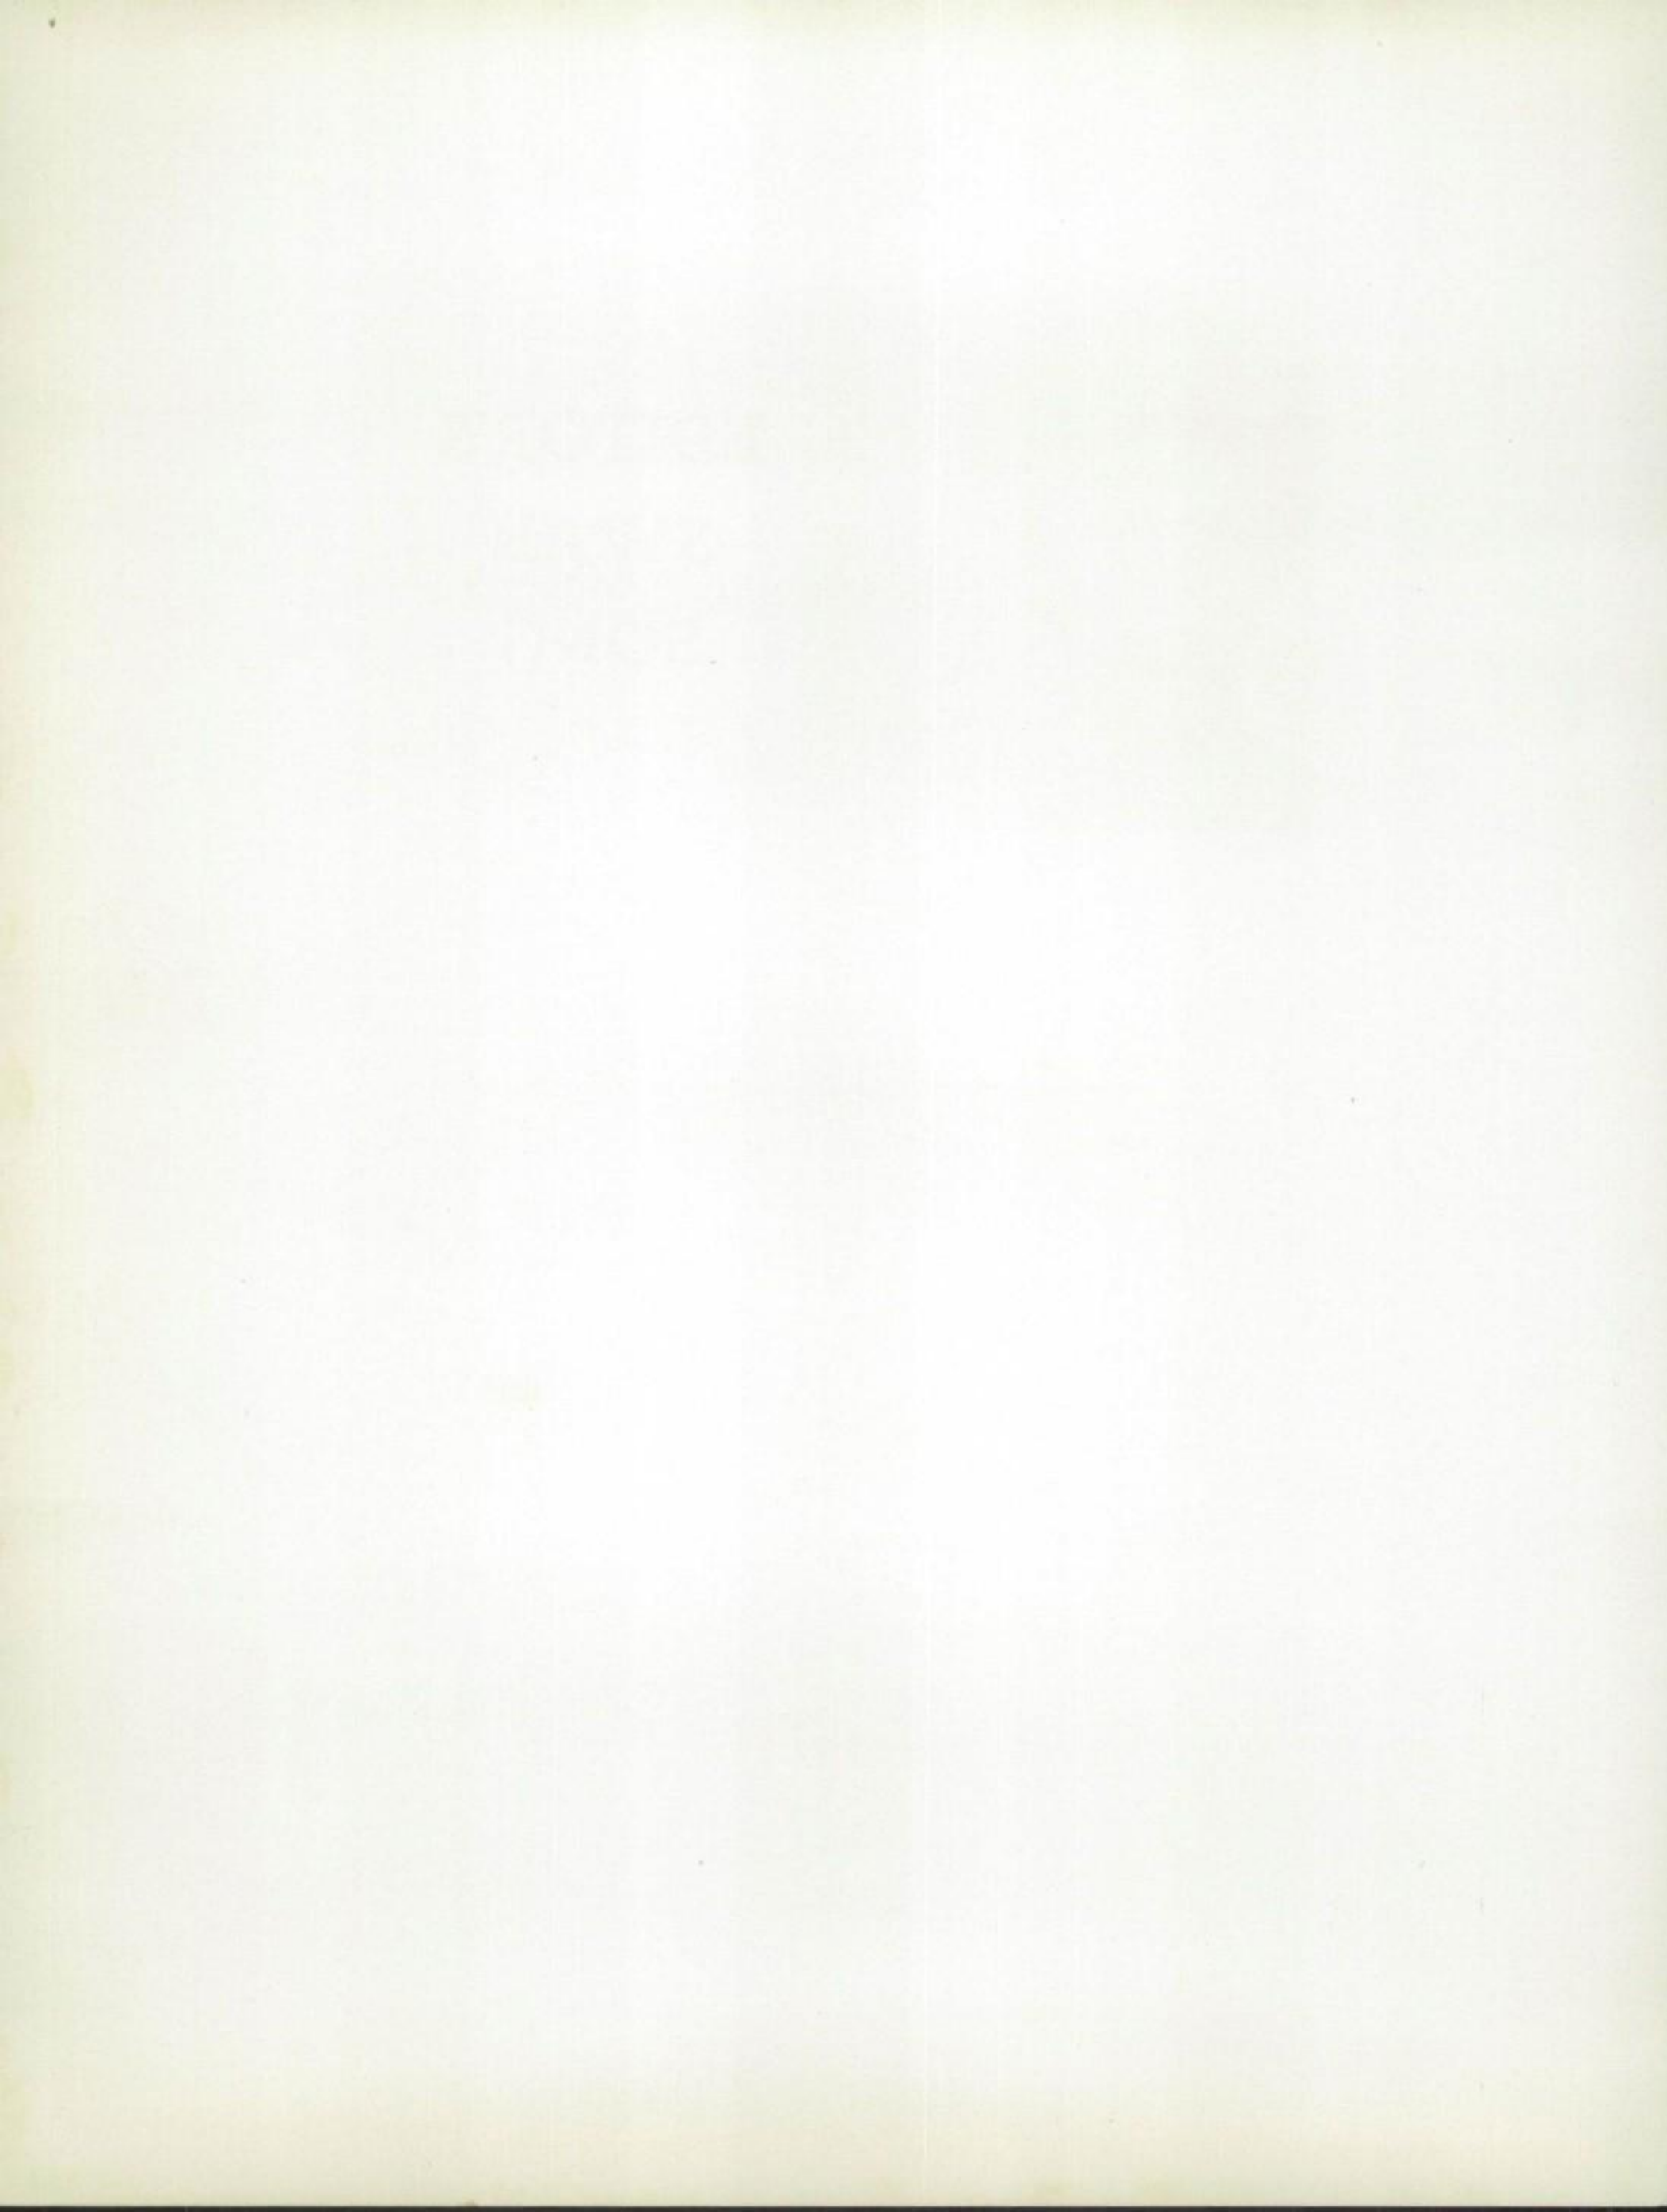

To the Oracle Staff I wish to express my sincere gratitude for the industry and imagination displayed in putting together the yearbook. I also owe Mrs. Robesky a sincere thank-you for her unlimited energy and patience in working with the Oracle Staff. A special thanks to Larry Welz for his art design of the cover and division pages.

Special thanks go to our publishers Mr. Robert O. Ozias of Lederer, Street, and Zeus Company, Mr. Robert Thain of California Art and Engraving, and the S. K. Smith Company. I also wish to thank Mr. Ray Geers, who processed our Senior pictures and our Advertisement pictures.

In order to have a successful yearbook it takes the combined efforts of hundreds of people. A heart-felt thanks goes out to each and every one of them.

Finally, I hope that you, the students of Bakersfield High School, upon looking through the 1966 Oracle, will enjoy reminiscing this year's activities.

Cyndie Gray
Oracle Editor
